

The Children's Home is growing and hiring in Chenango County. At the Children's Home, empowering children with mental health or behavioral health issues is key to skill development with independence and dignity. Our goal is to work in partnership with individuals to empower him or her to make choices, attain life goals, build relationships, and participate within their community in the most integrated and independent manner possible. We focus on an individual's strengths and values while providing person-centered services that are culturally competent, flexible, coordinated and accountable. While the recovery process is unique to everyone, we treat our clients with respect, dignity, courtesy and equality.

**Qualifications & Skills:** A Bachelor's Degree in Human Services field with one year of experience working with youth with a mental health diagnosis, foster care, or addiction.

The right candidate will be responsible to provide therapeutic behavioral interventions to clients in accordance with treatment plans in the clients home, the community and or school settings; adhere to client schedule and deliver appropriate authorized units of services prescribed; work collaboratively with other members of the treatment team; report the effectiveness of treatment protocols and treatment difficulties to supervisor and clinician; and maintain consumer confidentiality per company policy, HIPAA Privacy Rule regulations, and the Office of Mental Health.

The Children's Home offers a competitive pay and benefits. We are an EOE/ Veterans/Disabled/LGBT employer. Please visit [www.chowc.org/employment](http://www.chowc.org/employment) to apply today!
