A roof that looks better
and performs better?

IF IT SOUNDS TOO GOOD TO BE
TRUE, IT PROBABLY IS—UNLESS
YOU'RE TALKING ABOUT

STANDING SEAM.

Standing seam is an innovative roofing system with raised seams that lock tightly together, creating a sleek, clean look. It's installed with no exposed fasteners, significantly reducing the risk of leaks.

Standing seam is:

- More energy efficient than most roofs.
- Lower maintenance than most roofs.
- Quieter than most roofs.

The list goes on and on.

DON'T JUST REPLACE YOUR
ROOF—UPGRADE IT!

We took our own advice.
Our name has been
upgraded from Gold Star
Roofing to Goldspire!

Winter Survival

Interesting facts about winter

The winter solstice marks the first day of winter. For people residing in the Northern Hemisphere, Tuesday, December 21, 2021, heralds the official arrival of winter (the Southern Hemisphere's winter solstice is on Sunday, June 20). Though it's common to think of the winter solstice as an event that spans an entire day, it actually occurs for just a moment — specifically when a hemisphere is tilted as far away from the sun as it can be. Winter is widely known as the coldest time of the year in most locales, but that's not the only thing that makes the season unique. Explore these other cold, hard facts about wintertime.

- The Earth actually is closest to the sun in December, even though

the winter solstice is the shortest day of the year. The amount of daylight hours has to do with the tilt of the Earth on its axis rather than its proximity to the sun.

- The Southern Hemisphere, due to having less land mass and a more maritime climate, tends to have milder winters than the Northern Hemisphere.
- According to Smithsonian, ancient Romans used daylight and darkness to determine the time. As a result, an hour in ancient Rome lasted 45 minutes in the winter and 75 minutes in the summer.
- Two islands, called Big Diomedes and Little Diomedes, are located in the Bering Strait, which divides Alaska from Russia. Big Diomedes is owned by Russia, while

Little Diomedes is owned by the United States. The 2.5 mile stretch between these two islands often freezes over in winter, technically making it possible to walk from the U.S. to Russia, according to Alaska Centers Public Land Information.

- Snow is common in many areas during the winter. The highest snowfall ever recorded in a one-year period in the U.S. occurred at Mount Rainier, in Washington. Between February 19, 1971, and February 18, 1972, 31.1 meters (1,224 inches) of snow fell.
- Russia remains the coldest country in the world during the winter. Canada and Mongolia are not too far behind.
- The largest snowflake ever recorded measured 15 inches wide. It was

found in Fort Keogh, Montana.

- A city in Sweden uses light therapy in bus stops to help combat seasonal affective disorder during winter, when 19 hours of darkness are common.
- Unlike hurricanes and other summer storms, winter storms are not named by the National Weather Service.
- Snowflakes are translucent, not white.
- No country in the Southern Hemisphere has hosted or applied to host the Winter Olympics.
- Most weather-related crashes in the U.S.

happen on wet pavement during rainfall rather than during snow or sleet, according to the U.S. Department of Transportation. Winter might be seen as

a cold period marked by dark days. But there's still a lot of interesting things going on between the winter solstice and the spring equinox. TF21C577

Schoharie County Office for the Aging 518-295-2001

Laughter Is Good For The Soul

- Did you know...The average person walks past 16 murderers in their lifetime? Relax, Most of them are just people who haven't had coffee yet.

- If common sense were common...We'd all be out of a job explaining things.

- I don't gossip. I collect and redistribute information

We will be offering Grab & Go meals HERE at Office for the Aging 113 Park Place Suite 3, Schoharie - Tuesday-Thursday in the Community Room from 11 am - 1 pm. Please call us to reserve a meal! 518-295-2001.

What to do if a Medicare card is lost, stolen, or damaged: Learn how to replace your Medicare card if it's lost, stolen, or damaged, and how to protect yourself from Medicare fraud.

If your red, white, and blue Original Medicare card is lost or stolen, or you can no longer use it because it is too faded or damaged, you can replace it by calling 1-800-MEDICARE (633-4227). You can also order or print a replacement card by logging into your medicare.gov account.

If you get Medicare health or drug benefits from a Medicare Advantage Plan, such as an HMO, PPO, or PDP, call your plan to get your card replaced.

If you get Medicare through the Railroad Retirement Board, call the Railroad Retirement Board to order a replacement Medicare card. You should get your new card in the mail within 30 days.

Your Medicare card, Social Security card, and other health insurance cards are very important documents. Make sure to keep a photocopy of your important identification and insurance cards, write down any important numbers (like your Medicare number), and keep everything in a safe place so that you have a record for future reference if anything gets lost.

Also, if your Medicare card has been lost or stolen, watch out for Medicare fraud. Check your Medicare Summary Notice (MSN) for services you did not receive, and if you spot any, report them to the Inspector General's fraud hotline at 800-HHS-TIPS (800-447-8477). You can also get help from your local Senior Medicare Patrol.

Tax Update: Unfortunately, we have already filled all our available tax appointments. You can file using MyFreeTaxes.com, which is secure web-based software. You will prepare the return yourself. Toll-free Helpline: 1-855-MY-TX-HELP (1-855-698-9435) available for assistance.) There is no income limit for this option.

Fun Fact! Flamingos aren't born pink - they turn pink from eating shrimp. Imagine if we turned orange from Cheetos. (Some of us are close.)

Life Chat: Schoharie County Office for the Aging invites you to our monthly Life Chat Meeting, **Wednesday, March 25, 2026, 1PM**, at the Office for the Aging, 113 Park Place, Suite #3, Schoharie, Ny 12157. Door prize and light refreshments! Questions or to RSVP contact Lenore Tsamis at 518-295-2001.

Reminder The Parkinson Support Group meets on the second Tuesday of every month, at 1PM, the next meeting will be **March 10, 2026**, at The Gathering Place, 127 Kenyon Rd. Cobleskill, please call Lenore Tsamis at 518-295-2001 to RSVP or please have any questions.

Thought for today: At this age, peace is priceless and patience is limited. Choose wisely.
